My personal skills and qualities:

I am hardworking, passionate and motivated always looking to better myself. My experiences of travelling the world have formed a strong foundation giving me a genuine care for others and the impact I have on others. I am approachable and I highly value feedback from others and view this as an opportunity to improve. My dedication to education can be shown by my choice to leave full time employment to pursue this career where I aim to have a positive impact on pupils' lives and relay the passion I have for sport and education.

My other interests and hobbies:

I enjoy a mix of active, creative, and social hobbies. I am a keen boulderer, golfer, skier, squash and football player. I have a strong appreciation for the outdoors, whether hiking or spending time in nature, as it gives me balance and a fresh perspective. I value spending time with family and friends and being social, whether through sport, music or spending time together. Playing music and taking on DIY projects are creative outlets I enjoy, while reading and continuous learning reflect my drive to grow and better myself. Altogether, my hobbies highlight curiosity, and the importance I place on both personal growth and meaningful connections, qualities I bring with me into professional settings.
